PUBLIC HOLIDAY MONDAY

8 JUNE 2022 - ISSUE 15 TERM 2 | WEEK 7

Dear Parents and Carers

I hope you're well and managing to avoid the variety of viruses currently doing the rounds. We're quickly closing in on the end of term and next week is one day less due to the public holiday. Currently your child is experiencing assessment tasks to assist teacher analysis of achievement and the possible attainment of personal goals. Semester 1 reports will be generated utilising this information and the observational data collected over the two terms. This process takes approximately six weeks from start to finish. Our Reports will go home Monday 1 August (Term 3 Week 3- Education Week), thus maximising Term 2 teaching time.

LPS 8-13yrs ATHLETICS CARNIVAL – Friday 10 June

This Friday we will be at Inmon Oval conducting the LPS Athletics Carnival for children 8-13yrs of age in 2022. The canteen will be in operation on the day, thanks to our P&C members, and the menu is included. There will be NO canteen at school on Friday.

Please ensure your children come prepared for a day of physical activity and YES, they may wear their House colours – Stingrays WHITE Dolphins RED.

Parents are welcome to attend...if not unwell. We hope to be underway at 9:45am.

NB The Infants carnival for the 5-7yrs division will take place on Friday 24 June

PSSA NSW RUGBY LEAGUE CARNIVAL

Congratulations to Nash for his outstanding achievement in being selected in the North Coast Opens Rugby League team, following his involvement in the development squad. He will attend the 3 day carnival at Kiama from Tuesday 21-23 June. Nash has done a lot of travelling this year (thankfully mum and dad love long road trips) for sport and performed exceptionally well at the NSW Touch Football carnival three weeks ago in Tuggerah.

Well done Nash...dreaming of the Roosters

PSSA KNOCKOUTS

Thank you, Mr Cook, Mrs Carlton and Simon Hancox for preparing the teams. To progress in the competition, victory is required. I know our teams will be determined to achieve that result.

P&C NEWS

Last week the P&CAGM was attended by a wonderful group of working mums who sacrificed their own time in 2021 to enable the children at LPS to have a canteen, subsidies for events, trophies at presentation, fun fundraising activities and new equipment in their rooms and the playground. Knowing without a P&C Executive the above would cease, these same mums have committed to another year.

On behalf of the staff, children and parents of the LPS community I'd like to say a massive thank you to....

Mel Harper - Vice President

Tash Hancox - Treasurer

Gemma Harris - Secretary

WINTER

Staying warm at school when outside is what our winter uniform is for. Please ensure your child wears his or her RED JUMPER and BLACK pants (both logo free) as stated in the uniform policy. The office has an assortment of jumpers that have been donated by families for those who may be in need. Teams are identified and unified by their uniforms and we are the LPS team.

Debating News

Tomorrow morning, our brand new Premier's Debating Challenge team will be competing against Harrington PS in the first round of the competition. The team of Archie, Patrick, Ben and Kenzie will go into lock down to prepare their arguments for the debate at 9am tomorrow morning. The debate topic will be revealed only minutes before the hour prep time. Liam will join the team as chairperson when the debate begins at 10am. The debate will be via Zoom video conferencing and the adjudicator will also be streamed in to decide which team had the best arguments. Our team have been working really hard, learning how to debate and all the processes involved during their lunch times and after school. I am proud of the progress they have made in preparation for their first debate. Good luck Laurieton Lorikeets!

Touch Football PSSA Knockout

The LPS Girls and Boys Touch teams will play Kendall Public School in their first round of the PSSA Knockout competition.

The games will be played at the Kendall Railway Sporting Fields, Tuesday 14 June. Games will begin at 9.45am, for any interested spectators.

Both teams will be led by some experienced players, who will lead and guide those students that are new to the game.

Whilst training has been impeded by events beyond our control, the teams have been finalised and have worked together to tune up their skills.

We are certain that all games will be played in good spirit and all players will walk away having learnt some new skills and having enjoyed the experience.

A win on the day will see the winning team progress to the next round of the competition.

Reminder: All permission and transport notes must be returned ASAP! A huge thanks to those that have responded already.
