

### SHORT AND SWEET

#### Dear Parents and Carers

Here, I can't believe we're already halfway through Term 1 and how busy the back end of the term looks like with the many events scheduled to occur. P&C AGM, School Photos, Teacher-Parent-Student (TPS) conferences for Kinder to Yr 6, representative sports, Harmony Day, Easter celebrations, and assemblies. My advice, check the website or app calendars on a regular basis.

#### Stage Assemblies

It was lovely to start our assemblies again. Perfect behaviour from the kids, quality evidence of student achievement and the joys of the 'unscripted' scenario are what makes our assemblies so special. Congratulations to 1/2S and 6C for providing the entertainment for their peers.

1/2S - performing 'Dinosaur Stomp'

#### Clean Up LPS

This week classes are rostered on to do their part associated with Clean Up Australia Day. Thank you Mrs Price for organising and enhancing the understanding toward protecting our environment.

## Police Talks

Yesterday, Wendy Hudson (Police Youth Liaison Officer) visited our school. She delivered a very useful and engaging presentation to all our students.

Some of the things that that Wendy spoke about were:

- Children under the age of 13 years should not be engaging in many of the social media platforms currently available.
- Cyber bullying, inappropriate and potentially dangerous use of social media generally happens when children are unsupervised at home.
- Never give out personal information online.
- Helmets must be worn when riding a bike or scooter in public.

We would like to thank Wendy for delivering these safety talks to our students.
